

- I. A School Board meeting is a business meeting of the Board and is to be conducted in an orderly, efficient, and dignified manner. The Board recognizes the value of school governance through public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. Public comments related to education and the district are welcome and encouraged.
- II. Members of the public shall be given a reasonable opportunity to be heard before an Agenda Item is voted on and for general comments about the district. Public Comment time during a meeting is a time for the public to be heard and is not intended to be an open discussion with the board members. However, follow-up action may be taken in response to public comments. If you want a response from a board member, you should email them individually.
- III. A public comment opportunity is not an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the Board or public. The rules of public comment apply to Board business meetings. If the Board participates in joint meetings, the public comment rules are deferred to the host district.
- IV. Public Comment is not a forum to engage in personal attacks against school district employees or, due to privacy concerns, to air issues about a particular student. These issues should be taken up with the appropriate administration and/or the superintendent to address.
- V. For the purposes of public participation:
  - A. A member of the public may email comments about an agenda item to [PublicComments@SarasotaCountySchools.net](mailto:PublicComments@SarasotaCountySchools.net). The email address will be open to receive public comment when the agenda is posted. All emails received up to (2) hours before the start of the meeting will be provided to Board members in advance of the meeting and will be posted on the School Board's website along with the minutes of the Board Meeting.
  - B. A member of the public can send an email to the entire school board at [schoolboardmembers@sarasotacountyschools.net](mailto:schoolboardmembers@sarasotacountyschools.net). These emails are public record, but do not become a part of the official minutes of the meeting.
  - C. A member of the public may speak on one (1) or more specific agenda items on the agenda. For purposes of the policy, an agenda item is an action item taken before the Board for a vote except as noted below. If an item is added to the agenda during a meeting, the public shall be given an opportunity to speak to it.

- D. A member of the public may speak during a General Public Comment section for items not on the agenda but related to the school district operations or education.
  - E. Public Comment is a time for the public to be heard and is not meant for a time for public discussion with board members. The Board and/or the Superintendent may follow up on issues brought up during Public Comment and address them later.
  - F. Members of the public shall not display signs, posters, placards, flags, or political paraphernalia in the School Board meeting room.
- VI. Members of the public will be given up to three (3) minutes to speak on an Agenda Item or during General Comments subject to the following:
- A. Citizens who desire to speak before the Board must complete a Public Comment card prior to the start of the Board meeting. They should indicate which Agenda Item(s) they wish to speak to or issue they wish to address during General Comment and turn it into the Board assistant. Also provide the assistant any handouts you wish to share with the board.
  - B. Persons will be recognized in the order in which the requests were received. ~~sorted by agenda item.~~ When called, come to the speaker's podium and clearly state your full name and any organization you are representing.
  - C. Persons wishing to speak to agenda items will be called before any items are voted on by the board. Persons wishing to speak during General Comments will be called after the board has voted on all agenda items.
  - D. You have up to three (3) minutes to speak. The green light changes to yellow when you have one-minute left. Please complete your comments and stop speaking when the light turns red and the bell rings.
  - E. If more than 30 persons sign up to speak to either Agenda Items or General Comment, the Board may limit each speaker to two (2) minutes or total time for comments to one (1) hour.
  - F. Florida Law requires all citizens to conduct themselves in an orderly fashion at public meetings. Actions such as cheering, jeering, discriminatory, unreasonably loud, abusive or profane language or gestures are prohibited.
  - G. Any individual who interferes with the expeditious or orderly process of a Board meeting pursuant to F.S. 1001.372(3) may be removed at the discretion of the Chair or law enforcement.

VII. To maintain order the Chair may:

- A. Move a speaker from Agenda Item Comment to General Comment if the speaker's comments are not directed to a specific agenda item.
- B. Warn and/or terminate a participant's comments when they go beyond the allotted time or are deemed disorderly and/or in violation of VI (F).
- C. Request any individual to leave the meeting if the person disrupts the orderly process of the meeting as described in VI (F).
- D. Request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting. However, law enforcement may act without direction from the Chair if a person appears to be taking aggressive action.
- E. Call for a recess or an adjournment to another time or place when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.

VIII. The requirement for public comment on action items does not apply when:

- A. an official act must be taken to deal with an emergency affecting the public health, welfare, or safety, if compliance with the requirements would cause an unreasonable delay in the ability of the Board to act,
- B. an official act involving no more than a clerical action, including, but not limited to, approval of minutes and ceremonial proclamations,
- C. a meeting that is exempt from F.S. 286.011 (the Public Meetings Law), such as litigation assessment meetings and collective bargaining strategy sessions, or
- D. a meeting at which the Board is sitting in its quasi-judicial capacity.
- E. These exceptions do not affect the right of a person to be heard as otherwise required by law or Board policy.

IX. This policy does not prohibit the Board from maintaining orderly conduct or proper decorum in a public meeting, according to F.S. 286.0114.
