#### **PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES**

The [Local Educational Agency Chief Executive Officer, or his/her authorized representative] assures the following:

1. The LEA acknowledges that the U.S. Department of Education generally does not consider the following to be an allowable use of ESSER II funds: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.
2. The LEA and any other entity that receives ESSER funds through the subgrant awarded hereunder will, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 315 of the CRRSA Act. In addition, the LEA will continue to pay employees and contractors to the greatest extent practicable based on the unique financial circumstances of the entity. ESSER II funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.
3. The LEA will comply with all reporting requirements, and submit required reports to the Florida Department of Education at such time and in such manner and containing such information as the department may subsequently require. The LEA shall be prepared to provide detailed accounting of the use of funds provided hereunder, including how the LEA is using funds to measure and address learning loss among students disproportionately affected by coronavirus and school closures, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care.
4. The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Florida Department of Education, the Florida Auditor General; (ii) the Department and/or its Inspector General; or (iii) any other federal or state agency, commission, or department in the lawful exercise of its jurisdiction and authority.

8. The LEA agrees to comply with all statutory and regulatory requirements for career dual enrollment (Section 1007.271, F.S., and Rule 6A-6.0575, F.A.C.).
