## FIELD TRIP AUTHORIZATION

**Instructions:** Provide the following information for all field trips.

1. Explain the direct instructional connection with instructional program. Include any potential risks or hazards (e.g. water activity).

Speech and Debate tournaments have been shown to improve academic achievement, public speaking, and interpersonal skills. Students are required to research issues of public concern, philosophical positions, or works of art. Students analyze their research and prepare oral and dramatic presentations based on their analysis. Those skill sets are readily transferable across the entire spectrum of academia. The only risks are those that are inherent on a college campus.

2. Describe how students are being selected to participate with assurances of equal access for all students, regardless of economic level.

For this tournament, students must participate in team activities and/or previous competition at local tournaments. This requirement is to ensure that the students that desire to participate in this national level tournament have shown sufficient dedication and preparation for their event. For those students and families that need financial assistance, including full payment of fees, team benefactors, team fundraisers, and nations from PVA are provided.

3. Describe how students will be supervised once they arrive.

Male and female chaperones accompany students to each of their events. Students and chaperones walk from central meeting locations to the events. Chaperones have contact information for all students and/or their parents. At the hotel, students have "lights out" times that are reasonable under the circumstances and gender appropriate chaperones perform a "room check" at the lights out time.

4. Should an emergency arise, how will communication and transportation be handled?

All chaperones have cellular phones and contact information for students' parents/guardians. Communication will initially be by telephone call followed by text message and/or email. Students' medical information will be on site at the tournament. Transportation will be determined under the circumstances but may include a chartered bus, licensed commercial vehicle, commercial air, or ambulance, if appropriate.

School Pine View School Field Trip/Event Sponsor Jym Froelich

Field trip destination Hilton Chicago 720 South Michigan Avenue, Chicago, IL 60605

Departure date/time 24 MAY 2024/8am (FRI) Return date/time 26 MAY 2024/8pm (SUN)

The primary purpose of a field trip or school-sponsored activity is to enrich students' education. All school sponsored events, educational field trips, and other school sponsored student travel must be adequately supervised and chaperoned. As approved by the principal, the faculty member will be designated as sponsor, and other staff members or parents will be designated as chaperones. The sponsor is responsible for informing the accompanying adults of their duties and responsibilities. The safety of students is the primary concern. For this reason, the following guidelines have been developed outlining the responsibility of all chaperones.

As a Sarasota County School Board Chaperone, I agree to uphold the following guidelines:

1. Recognize that the Field Trip/Event Sponsor is ultimately responsible for all students. His/her directions must be followed by both students and chaperones
2. Understand that students must be kept under close adult supervision at all times. Chaperones are to report issues or concerns immediately to the sponsor. chaperones are on duty the entire time they are away from the school campus and must be willing to adhere to the guidelines
3. Assist the sponsor in making sure that all students are accounted for during the trip or activity, especially prior to leaving the field trip location or dismissing of students following the activity
4. Acknowledge that trips or events extending beyond regular school hours means that the sponsor and chaperones are responsible for students until they are released to parents
5. Agree that smoking and the use of alcoholic beverages are not permitted for any individual (adult or student) participating in a school sponsored activity according to the Sarasota County School Board Safe & Drug Free Schools policy
6. Comply with and meet the background check requirements for Sarasota County School Board volunteers/chaperones and agree to abide by the District Volunteer Guidelines

If the field trip or school sponsored activity is cancelled due to changing state, national, or international conditions, the School District cannot assume responsibility for any personal financial loss. I release The School Board of Sarasota County, Florida, its employees, and agents from all claims, judgments, costs, or other expenses including attorneys' fees resulting in any way from participation in the field trip described above.
